**Subject:** Against the settlement

Against the settlement.  
DOJ tried this before, the MS abuse continued.  
See below:

The DOJ promised in its 1995 settlement that it would "end Microsoft's unlawful practices that restrain trade and perpetuate its monopoly power." Yet as Sporkin rejected it, he complained that, "simply telling a defendant to go forth and sin no more does little or nothing to address the unfair advantage it has already gained."
